[] **Guest Editor/Special Issue Editor:**

If this box is checked . . .

We are pleased to inform you that your article has been accepted for publication in the journal noted above. In addition to the standard journal edition, at the editor's discretion, this issue may also be co-published in a hardcover monographic co-edition.

Please note the following:

[1] **PUBLICATION:** Your article is currently scheduled to appear in Vol.: _____ Issue: _____

[2] **TYPESETTING:** Your article will be sent to the Print Journal Production Department of The Haworth Press, Inc. They will typeset your article (from the required computer disk) exactly as submitted. In order to efficiently typeset the print version and to quickly produce a preliminary (before proofreading) electronic version, we require that all manuscripts be submitted conversion ready. This means that the article on your computer disk must be clearly written with no errors of spelling, grammar, or punctuation. Also, inconsistencies must be avoided. Please refer to the Instructions for Authors for further submission requirements. Please note that you will not be receiving galley proofs. The production staff will proofread the galleys, for typesetting errors, against the final version of the manuscript submitted. (NOTE: Revisions to the galleys are not allowed.) **This disk must be the one from which the accompanying manuscript (finalized version) was printed out.**

[3] **PREPARATION OF TABLES, FIGURES, AND ILLUSTRATIONS:** Any material that is not textual is considered artwork. This includes tables, figures, diagrams, charts, graphs, illustrations, appendices, screen captures, and photos. Tables and figures (*including* legend, notes, and source) should be no larger than 4 1/2 x 6 1/2 inches. Type style should be Helvetica (or Helvetica Narrow if necessary) and no smaller than 8 point. We request that computer-generated figures be in black and white and/or shades of gray (preferably no color, for it does not reproduce well). Camera-ready art must contain no grammatical, typographical, or format errors and must reproduce sharply and clearly in the dimensions of the final printed page (4 1/2 x 6 1/2 inches). Photos and screen captures must be on disk as a TIFF file, or other graphic file format such as JPEG or BMP. For rapid publication we must receive black-and-white glossy matte positives (white background with black images and/or wording) in addition to files on disk. Table should be created in the text document file using the software's *Table* feature.

[4] **SUBMITTING ART:** Both a printed hard copy and a disk copy of the art must be provided. We request that each piece of art be sent in its own file, on a disk *separate* from the disk containing the manuscript text file(s), and be clearly labeled. We reserve the right to (if necessary) *request new art, alter art, or if all else has failed in achieving art that is presentable, delete art.* If submitted art cannot be used, the Publisher reserves the right to redo the art and to charge the author a fee of \$55.00 per hour for this service. The Haworth Press, Inc., is not responsible for errors incurred in the preparation of new artwork. Camera-ready artwork must be prepared on separate sheets of paper. Always use black ink and professional drawing instruments. On the back of these items, write your article title and the journal title lightly in soft-lead pencil (please do not write on the face of art). In the text file, skip extra lines and indicate where these figures are to be placed. Photos are considered part of the acceptable manuscript and remain with the Publisher for use in additional printings.

[5] **REPRINTS:** Shortly after publication you will receive an order form for purchasing quantities of reprints. (About three weeks after publication, the senior author will receive two complimentary copies of the issue and ten copies of the article, and the junior author(s) will receive two complimentary copies of the issue.) Please note that preparation of reprints takes about eight weeks additional time after the actual issue is printed and in circulation.

If this box is checked . . .

We are sorry, but the reviewers for this journal did not agree that your article was appropriate for publication in this periodical. If the reviewers consented in having their comments forwarded to you, their critiques are attached. Your submission is appreciated, and we hope that you will contribute again in the future.

INSTRUCTIONS FOR AUTHORS

[journal of quality assurance in hospitality & tourism™]

- [1] **ORIGINAL ARTICLES ONLY.** Submission of a manuscript to this journal represents a certification on the part of the author(s) that it is an original work, and that neither this manuscript nor a version of it has been published elsewhere nor is being considered for publication elsewhere.
- [2] **MANUSCRIPT LENGTH.** Your manuscript may be approximately **5–50 typed pages** double-spaced (including references and abstract). Lengthier manuscripts may be considered, but only at the discretion of the editor. Sometimes, lengthier manuscripts may be considered if they can be divided up into sections for publication in successive journal issues.
- [3] **MANUSCRIPT STYLE.** References, citations, and general style of manuscripts for this Journal should follow the Chicago style (as outlined in the latest edition of the *Chicago Manual of Style*). References should be double-spaced and placed in alphabetical order. The use of footnotes within the text is discouraged. Words should be underlined only when it is intended that they be typeset in italics.

If an author wishes to submit a paper that has been already prepared in another style, he or she may do so. However, if the paper is accepted (with or without reviewer's alterations), the author is fully responsible for retyping the manuscript in the correct style as indicated above. Neither the editor nor the publisher is responsible for re-preparing manuscript copy to adhere to the journal's style.

- [4] **MANUSCRIPT PREPARATION.**
Margins: leave at least a one-inch margin on all four sides.
Paper: use clean, white 8-1/2" x 11" bond paper.
Number of copies: 4 (the original plus three photocopies).
Cover page: *Important*—staple a cover page to the manuscript, indicating only the article title (this is used for anonymous refereeing).
Second "title page": enclose a regular title page but do not staple it to the manuscript. Include the title again, plus:
 - full authorship
 - an ABSTRACT of about 100 words. (Below the abstract provide 3–10 key words for index purposes).
 - a header or footer on each page with abbreviated title and pg number of total (e.g., pg 2 of 7)
 - an introductory footnote with authors' academic degrees, professional titles, affiliations, mailing and e-mail addresses, and any desired acknowledgment of research support or other credit.

- [5] **REFERENCE LINKING.** The Haworth Press, Inc. is participating in reference linking for journal articles. (For more information on reference linking initiatives, please consult the CrossRef Web site at www.crossref.org.) When citing a journal article include the article's Digital Object Identifier (DOI), when available, as the last item in the reference. A Digital Object Identifier is a persistent, authoritative, and unique identifier that a publisher assigns to each article. Because of its persistence, DOIs will enable The Haworth Press, Inc., and other publishers to link to the article referenced, and the link will not break over time. This will be a great resource in scholarly research.

An example of a reference to a journal article which includes a DOI:
Vizine-Goetz, Diane (2002). Classification Schemes for Internet Resources Revisited. *Journal of Internet Cataloging* 5(4): 5:18. doi: 10.1300/J14105n04_02

- [6] **RETURN ENVELOPES.** When you submit your four manuscript copies, also include:
 - a 9" x 12" envelope, self-addressed and stamped (with sufficient postage to ensure return of your manuscript);
 - a regular envelope, stamped and self-addressed. This is for the Editor to send you an "acknowledgement of receipt" letter.

- [7] **SPELLING, GRAMMAR, AND PUNCTUATION.** You are responsible for preparing manuscript copy which is clearly written in acceptable, scholarly English and which contains no errors of spelling, grammar, or punctuation. Neither the editor nor the publisher is responsible for correcting errors of spelling and grammar. The manuscript, after acceptance by the editor, must be immediately ready for typesetting as it is finally submitted by the author(s).
Check your paper for the following common errors:
 - dangling modifiers
 - misplaced modifiers
 - unclear antecedents
 - incorrect or inconsistent abbreviationsAlso, check the accuracy of all arithmetic calculations, statistics, numerical data, text citations, and references.

- [8] **INCONSISTENCIES MUST BE AVOIDED.** Be sure you are *consistent* in your use of abbreviations, terminology, and in citing references, from one part of your paper to another.

- [9] **PREPARATION OF TABLES, FIGURES, AND ILLUSTRATIONS.** Any material that is not textual is considered artwork. This includes tables, figures, diagrams, charts, graphs, illustrations, appendices, screen captures, and photos. Tables and figures (*including* legend, notes, and sources) should be no larger than 4 1/2 x 6 1/2 inches. Type styles should be Helvetica (or Helvetica narrow if necessary) and no smaller than 8 point. We request that computer-generated figures be in black and white and/or shades of gray (preferably no color, for it does not reproduce well). Camera-ready art must contain no grammatical, typographical, or format errors and must reproduce sharply and clearly in the dimensions of the final printed page (4 1/2 x 6 1/2 inches). Photos and screen captures must be on disk as a TIFF file, or other graphic file format such as JPEG or BMP. For rapid publication we must receive black-and-white glossy or matte positives (white background with black images and/or wording) in addition to files on disk. Tables should be created in the text document file using the software's *Table* feature.

- [10] **SUBMITTING ART.** Both a printed hard copy and a disk copy of the art must be provided. We request that each piece of art be sent in its own file, on a disk separate from the disk containing the manuscript text file(s), and be clearly labeled. We reserve the right to (if necessary) *request new art, alter art*, or if all else has failed in achieving art that is presentable, *delete art*. If submitted art cannot be used, the publisher reserves the right to redo the art and to charge the author a fee of \$55.00 per hour for this service. The Haworth Press, Inc., is not responsible for errors incurred in the preparation of new artwork. Camera-ready artwork must be prepared on separate sheets of paper. Always use black ink and professional drawing instruments. On the back of these items, write your article title and the journal title lightly in soft-lead pencil (please do not write on the face of art). In the text file, skip extra lines and indicate where these figures are placed. Photos are considered part of the acceptable manuscript and remain with the publisher for use in additional printings.

- [11] **ELECTRONIC MEDIA.** Haworth's in-house typesetting unit is able to utilize your final manuscript material as prepared on most personal computers and word processors. This will minimize typographical errors and decrease overall production time. Please send the first draft and final draft copies of your manuscript to the journal editor in print format for his/her final review and approval. After approval of your final manuscript, please submit the final approved version both on printed format ("hard copy") and floppy diskette. On the outside of the diskette package write:
 - 1) the brand name of your computer or word processor
 - 2) the word processing program and version that you used
 - 3) the title of your article, and
 - 4) the file name.

NOTE: Disk and hard copy must agree. In case of discrepancies, it is The Haworth Press' policy to follow hard copy. Authors are advised that *no revisions* of the manuscript can be made after acceptance by the editor for publication. The benefits of this procedure are many with speed and accuracy being the most obvious. We look forward to working with your electronic submission which will allow us to serve you more efficiently.

- [12] **ALTERATIONS REQUIRED BY REFEREES AND REVIEWERS.** Many times a paper is accepted by the editor contingent upon changes that are mandated by anonymous specialist referees and members of the editorial board. If the editor returns your manuscript for revisions, you are responsible for retyping any sections of the paper to incorporate these revisions (if applicable, revisions should also be put on disk).

- [13] **TYPESETTING.** You will not be receiving galley proofs of your article. Editorial revisions, if any, must therefore be made while your article is still in manuscript. The final version of the manuscript will be the version you see published. Typesetter's errors will be corrected by the production staff of The Haworth Press, Inc. Authors are expected to submit manuscripts, disks, and art that are free from error.

- [14] **REPRINTS.** The senior author will receive two copies of the journal issue as well as complimentary reprints of his or her article. The junior author will receive two copies of the journal issue. These are sent several weeks after the journal issue is published and in circulation. An order form for the purchase of additional reprints will also be sent to all authors at this time. (Approximately 8 weeks is necessary for the preparation of reprints.) Please do not query the journal's editor about reprints. All such questions should be sent directly to The Haworth Press, Inc., Production Department, 37 West Broad Street, West Hazleton, PA 18202. To order additional reprints (minimum: 50 copies), please contact The Haworth Document Delivery Center, 10 Alice Street, Binghamton, NY 13904-1580; 1-800-342-9678 or Fax (607) 722-6362.

- [15] **COPYRIGHT.** Copyright ownership of your manuscript must be transferred officially to The Haworth Press, Inc., before we can begin the peer-review process. The editor's letter acknowledging receipt of the manuscript will be accompanied by a form fully explaining this. All authors must sign the form and return the original to the editor as soon as possible. Failure to return the copyright form in a timely fashion will result in a delay in review and subsequent publication.
