

## Academic Information

OSU offers several degree options for students interested in the study of aging.

Interested in an Undergraduate degree? You have two options:

- Earn a Bachelor's degree in Human Development & Family Science (HDFS) with a specialization in Gerontology.
- Earn any degree at Oklahoma State University and complete a minor in Gerontology.

Interested in a Master's degree? You have two options:

- Earn a Master's degree in Human Development & Family Science (HDFS) with a specialization in Gerontology.
- via the On-campus program
- via the On-line/web based program through the Great Plains IDEA
